

March 2020

City of Sublimity
245 NW Johnson St.
Sublimity, OR 97385
503-769-5475

Dog Reminder

It is the responsibility of the pet owner to clean up after your dog when you are out and about. Mutt Mitts are available in the parks. Please dispose of the mutt mitts in a garbage receptacle, do not leave them along the sidewalk.

Election and Real Estate Signs can only be placed on private property with permission. Signs in the public right of way will be removed.

Garage Sale Permits

A reminder that in order to have a garage sale, you must first have a garage sale permit. (2 allowed per year) Permits are available at City Hall during normal business hours for \$3.00.

To sign up for online billpay visit www.xpressbillpay.com or go to www.cityofsublimity.org and click on Xpress Bill Pay under the "payments" drop down menu.

UPCOMING MEETINGS:

City Council Meeting: Monday, March 9th; 6:00PM—Public Hearing
Planning Commission Meeting: Monday, March 30th; 7:00 PM
At City Hall, 245 NW Johnson St

Naming the NEW PARK

The City of Sublimity Park & Recreation Board is looking for community suggestions to name the new park that is located at 542 NE Berry St. No plans have been made yet as to what is being built at this location, but we do need a name. Please send in your ideas by April 6, 2020. Guidelines for naming will be what best serves the interests of the city and ensures a worthy and enduring legacy for the City's park and recreation system.

Consideration of naming requests within the following broad categories will be considered; **Historic Events, People, Places and Outstanding Individuals**. Additional information can be obtained by calling City Hall at 503-769-5495.

BACKFLOW TESTING REMINDER FOR UNDERGROUND SPRINKLERS **It is required by both State and Local law to have your backflow assembly tested annually.**

Now is a good time to start thinking about getting an inspection scheduled for your home. If you have a backflow prevention assembly (lawn sprinkler system) on your property, please do your part to ensure a safe drinking water supply for yourself and everyone in Sublimity. For a list of current certified Backflow Assembly Testers for the State of Oregon, please contact City Hall during normal business hours at 503-769-5475.

Hello everyone,

During our recent council meetings a topic keeps surfacing. It has to do with how fast people are going in town, especially in the school zones. The homes in the Bella Terra subdivision are starting to be built and there are many small kids crossing Starr Street. Please use extra caution when in and near the schools! Tom has had the speed trailer out at various locations around town. The common theme is ... we are in a hurry to get to where we are going! Remember to obey the posted speed!

We decided to upgrade the council chambers to include video capabilities; soon we'll be recording the Planning Commission and City Council meetings. Let us know how it is going.

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.
