BACKFLOW TESTING REMINDER FOR UNDERGROUND SPRINKLERS

It is required by both State and Local law to have your backflow assembly tested annually.

Now is a good time to start thinking about getting an inspection scheduled for your home. If you have a backflow prevention assembly (lawn sprinkler system) on your property, please do your part to ensure a safe drinking water supply for yourself and everyone in Sublimity. For a list of current certified Backflow Assembly Testers for the State of Oregon, please contact City Hall during normal business hours at 503-769-5475.

The City is working on updating our website and we need pictures of the City! The pictures must be high resolution, and at least 1920 pixels (width) by 1080 pixels (height). You can submit your pictures to katie.scott@cityofsublimity.org

Reminder to wear masks whenever you are in a public area and stay six feet apart.

City Hall is open for Essential City Business only, Utility payments should be dropped in one of the outside drop boxes to limit exposure.

Hello everyone,

WOW, what a month it has been. First, I'd like to Thank our Public Works crew, Alan Frost, Jason Devine and Tony Schumacher for their hard work clearing streets, parks and keeping our City functioning during the Ice storm! Thank you for your hard work!

We have excellent staff both in Public Works and in the Office that allow the City to operate efficiently.

You will notice significant damage to the trees in both parks. We are in the process of having a certified Arborist assess the damage and give us a recommendation as to how to make our parks safe for our citizens to use them.

We are in the process of updating our website and are looking for any pictures of Sublimity that you might have and would allow us to "showcase" our city. Feel free to email the pictures to Katie Scott at katie.scott@cityofsublimity.org. If you have any suggestions as to what you would like in the website, please let us know. The Goal of the Website is to enhance the communication between the City and the Public.

Here is the Website where I get the latest information regarding the COVID-19 vaccine in Oregon: <https://covidvaccine.oregon.gov/>

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,
Jim Kingsbury
Mayor

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.
