Dog Reminder

It is the responsibility of the pet owner to clean up after your dog when you are out and about. Mutt Mitts are available in the parks. Please dispose of the mutt mitts in a garbage receptacle, do not leave them along the sidewalk.

Garage Sale Permits

A reminder that in order to have a garage sale, you must first have a garage sale permit. (2 allowed per year) Permits are available at City Hall during normal business hours for \$3.00.

To sign up for online billpay visit www.xpressbillpay.com or go to www.cityofsublimity.org and click on Xpress Bill Pay under the "payments" drop down menu.

Follow us on Facebook and Nextdoor Sublimity!

Budget Committee Meeting: Monday, May 4th 6:00 PM
At City Hall, 245 NW Johnson St

Some meetings may be changed to teleconference. Please check our website and social media pages for updates

Hydrant Flushing on April 20th

The City will be flushing hydrants on MONDAY, APRIL 20th.

You may experience some discolored water during this time. If discoloration occurs, run cold water until it runs clean and flush each toilet twice.

Hello everyone,

WOW, a lot has happened in the last month! If we all work together we will beat this virus. Stay Home, Stay Healthy is the statement of the day. We are following all the executive orders from Governor Brown from maintaining social distancing to closing the playgrounds. I can say I am very proud of the reaction from our community. We have a local business owner, Dixie Barth who is stepping up to help our community with her open spaces at Ditters Square.

There are many local businesses that need our support, both during this emergency and after. Many have supported our local community through the many non-profit organizations associated with the schools, now it is time for us to support them.

I am very proud of all our employees at the City of Sublimity. They have adapted to the new normal. Myrna and Katie are working from home and Alan Frost and his Public Works crew are working keeping our city running by practicing social distancing.

Thank you to my fellow Council members, Planning commission members, Parks board members and Budget committee members. It takes all of us to make our community great.

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,

Naming the NEW PARK

The City of Sublimity Park & Recreation Board is looking for community suggestions to name the new park that is located at 542 NE Berry St. No plans have been made yet as to what is being built at this location, but we do need a name. Please send in your ideas by April 6, 2020. Guidelines for naming will be what best serves the interests of the city and ensures a worthy and enduring legacy for the City's park and recreation system.

Consideration of naming requests within the following broad categories will be considered; **Historic Events, People, Places and Outstanding Individuals**. Additional information can be obtained by calling City Hall at 503-769-5495.

BACKFLOW TESTING REMINDER FOR UNDERGROUND SPRINKLERS

It is required by both State and Local law to have your backflow assembly tested annually.

Now is a good time to start thinking about getting an inspection scheduled for your home. If you have a backflow prevention assembly (lawn sprinkler system) on your property, please do your part to ensure a safe drinking water supply for yourself and everyone in Sublimity. For a list of current certified Backflow Assembly Testers for the State of Oregon, please contact City Hall during normal business hours at 503-769-5475.
