Mayor's Message

Hello everyone,

It is with much sadness to inform you that your hardworking councilman Greg Atkin submitted his resignation due to personal reasons. Greg has worked tirelessly for the citizens of Sublimity. In just the last 2 years Greg has spearheaded the mask building project at the start of the COVID pandemic, took the lead on the new website for Sublimity, which we will be unveiling soon, and also took the lead in the codification process which will help us enforce our code. Greg, **Thank you** for your service to Sublimity, you will be missed!

If you are interested in serving on the council in Greg's position, please contact me, one of the other council members or city hall. Applications are available at City Hall. An open Council position is filled by a majority vote of the remaining council members and will serve for the remainder of Greg's term, which ends December 2022.

As outlined in the Charter for the City of Sublimity and after much research on how to enforce the City of Sublimity's ordinance violations, we appointed Judge Jonathan Clark as the judge for the Municipal Court of Sublimity, effective July 1st. He will be in Sublimity each quarter and will be hearing Sublimity ordinance violations. We appointed Judge Clark for one year and will review the process each year and make changes as needed.

I enjoy hearing from you and as always if you have a question, comment or concern, feel free to contact me at james.kingsbury@cityofsublimity.org.

Thank you,
Jim Kingsbury
Mayor

Frequently asked Questions at City Hall

Along with City Ordinance, you should always check with your CCR's before building accessory structures or parking a recreational vehicle in your driveway. CCR's take precedence over the City Ordinances.

Lost and Found: City Hall has a lost and found. If you have lost something in one of the City parks, be sure to check with City Hall to see if it has been turned in. If you find that someone has left a belonging behind, you can turn it in to City Hall.

Backflow Devices: Backflow devices must be tested annually. A list of backflow inspectors can be found on the City website or at City Hall.

Building a fence? Please make sure you contact City Hall for a permit. Although there is no fee to build a fence, the city does have codes that need to be followed and they require approval.

Building a storage shed? Sheds under 200sq feet do not require a permit. If you are building anything bigger you must get a structural permit from the city and follow city codes.

Parking on Street: NO Parking of Cargo Trailers, RVs, Boats or any vehicle of any type is allowed on the street for more than 72 hours.

Garage Sales: You are required to obtain a \$5.00 permit from City Hall before having a garage sale.
