### **A Message From the Mayor**

July brings the harvest season to our area, please be careful around the harvest equipment as it moves around in our area. July also brings us a new budget year to the city. I'd like to thank our members of our Budget committee. They did an awesome job! I feel very confident Sublimity is in a very good fiscal position. Our greatest asset is our employees; they are doing an excellent job and are very much appreciated!

August 5th Sublimity's Park's board will be meeting. We are asking this group of people to build a Park's plan for Sublimity. We would like any input you have regarding the Parks in Sublimity. Where would you like a park at? What would you like it to look like? With a little bit of preplanning we can set the stage for Sublimity to be the place we'd want our kids to live in. If you have any ideas or suggestions, please feel free to let me know ([james.kingsbury@cityofsublimity.org](mailto:james.kingsbury@cityofsublimity.org)) or any member of the Parks board.
