The City received a grant from Oregon Parks and Recreation Department to build a new restroom in Early Settlers Park! The park remains open to the public during this time, but we please ask that you avoid the construction site as the restroom is being finished.

Park Rentals are now available for the summer months. Visit City Hall for a reservation form and to pay the \$50 fee.

## A Message From the Mayor

I would like to thank everyone that voted for me and my fellow council members Brian Schumacher and Greg Atkin. At our March City Council meeting on March 11<sup>th</sup>, I'd like to set some City Goals for this upcoming year. If you have any suggestions or ideas, please feel free to let us know. You can contact me at [james.kingsbury@cityofsublimity.org](mailto:james.kingsbury@cityofsublimity.org) or any of your council members.

Our City is in great shape and we look forward to serving you!

Thank you,

## City Council Meetings

Do you have a comment, complaint or suggestion that you would like to bring before the City Council?? Well we want to hear from you!

We do, however, ask that in order for the Council to be prepared to handle your concern to the best of their ability that you bring your discussion item to City Hall **at least 1 week prior to the meeting**. This will ensure that the council has had time to review your item and will be prepared to discuss it at the meeting. Council meetings are held the second Monday of each month and citizens are welcomed and encouraged to attend.

It has come to the city's attention that there has been a problem with people failing to clean up after their dogs when they are walking around town. A reminder that it is **your** responsibility to clean up after your pet; please help do your part to help keep our city beautiful and **clean**.

Mutt Mitts are available in the City parks.
