Mayor's message

Hello everyone, March is the beginning of the budget preparation for the City. The City has to have a balanced budget by June 30 each year. I would like to thank many of you that have served or are currently serving on the Budget committee. Myrna Harding our Financial Manger for Sublimity balances the budget each month; she ensures all of the income and expenses are recorded in the correct categories.

I would like to thank everyone that sent me your comments and suggestions, please feel free to continue to send any suggestions or ideas to me at james.kingsbury@cityofsublimity.org. Your input is very important to maintaining good dialogue between the Council and our Citizens.

Our City is a great place to live because we have great people!

Thank you,
Jim Kingsbury
