Hello everyone,
Happy Halloween! Please be safe out there as you go trick or treating on Halloween. There will be a lot of kids on our streets in all sorts of costumes!

Here are a few things that are going on in our City:
We heard from the Census people at the City Council meeting in October. Be aware there are address verifiers in our community verifying addresses. The Census will take place on April 1st and there are many ways to self report. The census is VERY important in determining our representation in Congress and SUPER important in determining many funding decisions from the Federal government. They are looking for workers to help with the Census. If you have any questions, please feel free to contact City Hall and we will do our best to find the answers.

Our Planning Commission (Randy Cranston, Ron Etzel, Joe Wolf, Dolores Morris and Shelby Walker) is updating our development Code. This is a big job and I appreciate all the hard work City Staff and the planning commission are putting in to this project. The Parks Board meets on Monday, November 4th at 6pm at City Hall. If you have any suggestions or ideas let City Hall know or attend the meeting on November 4th.

As always, if you have any questions or comments, feel free to contact me at james.kingsbury@cityofsublimity.org
