Dog Reminder

It is the responsibility of the pet owner to clean up after your dog when you are out and about. Mutt Mitts are available in the parks.

Slow Down— Kids Crossing!

The first day of school is Tuesday, September 3rd.

Please remember that speeds in a school zone are 20mph. Also stay alert to kids near the road! You never know if children are going to forget to look before they cross, and remember to give the right of way to kids waiting to cross the street. Thank you for helping us keep our students safe!

Hello everyone,

It was great to see so many people at the National Night Out. Getting together to enjoy some food, music and company is what keeps our community strong! Marion County Sheriff's department had an awesome showing with many Deputies, the Police Dog, Horse Posse and our new Sheriff Joe Kast was there. Thanks to the City Staff for all the hard work putting this event together.

Summer is almost over and school is about to begin; please be on the lookout for the kids as they are going to and from school. Speaking of schools, a question that I get a lot is " How is the school going to handle the additional kids with all of the development going on in town?" That is a very good question!

Andy Gardner, Principal of the North Santiam School District is very much involved with the communities in his District and the number of homes being built. Andy has asked the Long Range Facilities Committee to meet starting this fall to look at how the additional families are/will affect the school facilities. I feel confident that Andy and his team are working on this issue.

The smooth roads by the school is thanks to a \$100,000 ODOT grant. The City had to kick in some money, but this is another example of how we can leverage Grant monies to make Sublimity a better community.

And...

A big **Thank You** to Marion County Public Works for fixing our manhole covers on Cascade Highway.
